Dear Ms. Dortch and Ms. Flannery:

The Arizona Corporation Commission hereby certifies that to the best of its knowledge, all federal high cost support provided to rural carriers in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with Section 254 (e) of the Communications Act of 1934, as amended. This includes High Cost Loop Support, Local Switching Support, and high cost support received pursuant to the purchase of exchanges.

The following is a list of rural carriers certified by the Arizona Corporation Commission pursuant to Section 54.314 of the Federal Communications Commission's rules (47 C.F.R. § 54.314), which required states to establish an annual certification process for rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code, if known.
